## Project Reference

# Damp-Proofing & Remedial

## *Glenageary, Co. Dublin*

### Description

Major renovation works, which included the construction of a large extension to this private residence in beautiful Glenageary, were completed by Tuite Construction Ltd.

As part of the renovation works, SURFASOLOGY were commissioned to install a chemical DPC into the walls of the old structure using the Dryzone Cream System.

Below ground waterproofing and radon protection was completed in the new extension using DualProof Membrane.

The products were supplied by SURFASOLOGY and were installed by the Tuite Construction Team under the guidance of SURFASOLOGY.
