

Kilconnell Water Reservoir

Galway

Description

Drizoro Construction Products were successfully used in the refurbishment of this drinking water reservoir for Galway County Council. The works were completed by Bridgewater Contracts.

After cleaning the concrete surface using a water-pressure system, cracks and damages in the concrete were repaired using Maxplug hydraulic mortar.

The WRAS approved, flexible waterproof coating - Maxseal Flex - was then applied to the complete area offering waterproofing and protection against carbonation and freeze-thaw cycles.
